# President's Message

Four years ago in a highly contested election (only one candidate), I was elected to the position of 2nd Vice President of the RSPA of Illinois. It is a piggy move up situation. Two years in each of the 2nd and 1st VP positions. Some of you may know me, some may not. Many may not remember four years ago. I will take this opportunity to introduce myself:

Michael J. Burke #1189, Cadet Class #38. I started on Halloween day 1967. I believe we were the second to last class at the Fairgrounds. The wonderful Emmerson Building and Clara's cooking. Graduated in mid February (16 weeks) and was assigned to District #4 then Blue Island and later changed to Crestwood. In 1970's I was selected for the original "Professional Standards" along with Roger McIntire (a former President of the RSPA) and Jared Hopper and working for Harry David Burge. Not home much and I had small children so, I returned to District #4 in 6 months.

Was promoted to Lieutenant in January 1980 and transferred to District #5 in Joliet (thank you Major Fredickson). Some time before that I made Sergeant (never a Master Sergeant) but, I can't remember the date. Back to District #4 in 1982 as the Admin Lieutenant serving under Captain William Patrick O'Brien then under Captains Ladd Furge and Willard Keil. In 1987 I attended the Staff & Command school at Northwestern University. In June 1988 I was promoted to Captain and became the Commander of District #4. I served in that position until I retired December 31, 1991.

In that position I strated a Christmas Party and Holiday Reunion and invited all the retirees back to the headquarters for Cake and Coffee. When I retired I moved the party two doors north to Hank & Ann's tavern. That party has been going on for 28 years (2017) and will go on this year. Any one is invided. It will be advertised in coming newsletters and the web page.

My personal life: I am life long resident of Oak Lawn, Illinois (a southwest suburb of Chicago) and an Oak Lawn policeman for 2 years before I started with the ISP. I have been married to Jane for 52 years. We have five children: Patrick, Amy, Steven, Mandie and Nora. Nine grandchildren: Penny, Ella, Brendan, Nicholas, Katie, Kate, Hannah, Oscar and Harry. Our oldest grandchild Brendan is a freshman at Western Michigan University and our youngest grandchild Harry is in kindergarden in Huntsville, Alabama.

Article II of the RSPA By-Laws: Purpose of the association shall be "For the betterment of all State Police personnel, both active and retired and to preserve and strenghten the ties of comradeship among its members"

As president I will do my best to attend all of the meetings and meet you all personally. I hope to live up to the By-Laws listed above. I add one thing "Lets Party".

## Introduce New State Police Emblem

The new State Police emblem, introduced by Superintendent James T. McGuire at year's end, was shown to command officers at their December 19 meeting and to cadets at the State Police Academy the following week.

Final evolution of the design shows the American eagle just launching into flight over Illinois, representing vigilance over the state. It carries the olive branch of peace as a symbol of its purpose. The words Illinois State Police are further exemplified by the words Integrity, Service and Pride, which complete the circle the eagle.

Superintendent McGuire was

*In an article from December 1969, "the new State Police emblem was introduced by Superintendent James T McGuire at a Command Officer's meeting on December 19. The new emblem was then shown to Cadets at the State Police Academy the following week", to Cadet Class 46.*

*Ron Horwedel recalls the concept of Integrity, Service, and Pride came from Corporal Don Whitlow, but the design and artwork is credited to District 10 Trooper Ed Lohr.*

*Ed Weigler recalls: Victor Pena is leaning over. Standing left to right are, Galen Johnson, Robert Krause, Ed Weigler, Marvin Rutledge, Tom Keinlen, and Glenn Adair.*

## In The Spotlight

In the History of the State Police, there have been many Fathers & Sons who were on the job, as well as, Fathers & Daughters. I am not certain if this holds true for Mothers & Sons, or even Mothers & Daughters; what about TWINS?

Cadet Class 126 graduated twin brothers; Ronald Brooks # 6669, and Zachary Brooks # 6670 of Murphysboro, and both are assigned to District 21.

In the history of the State Police, have there been other twins on the job? The answer would be YES!

They were Donald Holm # 565, and Ronald Holm, # 566. President Mike Burke recalls, Ronald Holm was assigned to District 05, and Donald Holm was in Air Operations.

## ISP 100th Anniversary Logo Design Contest

The Illinois State Police will celebrate its 100th Anniversary in 2022. In anticipation of the anniversary, the ISP Heritage Foundation is hosting a logo design contest open to active ISP employees, retirees, and the public.

The 100th anniversary logo will be used in making commemorative stars, patches, car decals, letterhead, challenge coins, year-books, apparel, web design, advertising, and collectible memorabilia.

Logo design judging criteria will include professionalism, theme, color, integrity and nostalgia.

### LOGO DESIGN CRITERIA:

**Professional:** This logo may be featured on websites, social media platforms, and other mediums (stationary, pamphlets, pins, etc). As a result, while we want the logo to be eye-catching, it must still be legible.

**Theme:** Logo must promote the 100th anniversary of the Illinois State Police.

**Color:** There are no limitations, and any colors may be used; however, the logo must look good in color (if any) and black and white.

**Integrity:** Logos cannot contain copyrighted material. Logos

must have been created and edited by the contestant. Logos may not include images or licensed images that have been previously published. Logos must be easily reproducible and scalable for large and small formatting.

**Nostalgia:** The logo should celebrate the past as well as the future of the ISP.

Contestants are limited to a maximum of three design entries.

The ISP 100th Anniversary Logo Design Contest begins November 1, 2017, and ends March 1, 2018. Designs should be submitted to: <http://isphf.org/logo-contest>

Paintings and drawings on canvas may be delivered to:  
c/o ISPHF 100th Anniversary Logo Design Contest  
ISP Public Information Office  
801 S. 7th St., Ste. 1100A  
Springfield, IL 62703

Logo design judging will be conducted by the 100th Anniversary Committee in April, 2018.

The top three logo design winners will receive:

1st Place: \$500

2nd Place: \$200

3rd Place: \$100

Participants with accepted logo artwork will receive a specialized ISP patch card and a certificate signed by the Director of the ISP.

All logo design submissions will become the property of the Illinois State Police.

Retired District 12 Lieutenant Leonard Waldhoff, # 1184 was hospitalized December 28, 2017 after a heart attack. Please keep Vicki and Leonard in your prayers.

Every so often we hear of a family who is blessed to have in their fold a member who, through the gift of good genes and wise choices, lives to celebrate a century mark or more. Though this is unfortunately a message of compassion and caring now for the families, we do wish to note the gift that was Heidi Parent's grandmother, when she recently passed at 107 years of age.

Our prayers and thoughts are also with Larry Lynn, at the loss of his mother, aged 101.

# ISP Retiree Shoot Information

## District 11

In 2018, there will be 4 dates offered for all ISP Retiree's and the shoots will be hosted at Rampart Range in Pocahontas.

As in past years, you will need \$10 for your new sticker and Rampart Range charges \$10 per person for range fees. You will need your own pistol, at least 30 rounds of ammo, eye and ear protection.

The 4 dates will be:

March 21st at 8:30 a.m.  
May 23rd at 8:30 a.m.  
August 22nd at 8:30 a.m.  
Nov. 14th at 8:30 a.m.

(Please note that all of these dates are on a Wednesday)

**If you choose to do your annual qualification in District 11 than you must show up on one of these 4 dates.** The entire ISP is even lower on staffing this year than last. We have lost several due to retirement and several from patrol have left D-11. D-11 will gain 1 trooper from the most recent cadet class graduation. District 11 does not have a full time range officer. The District 11 indoor range will not be used at all as we are not allowed to use lead ammunition in it. If you can not make one of the District 11 retiree shoots at Rampart Range, you may attend any other shoot offered by other Districts, so check with Districts 18, 13, 12, or Pawnee.

## DISTRICT 14

**Date:** April 26th

**Time:** 1:00 p.m.

**Location:** The range is located behind the District 14 headquarters on [1600 North Lafayette](#) in Macomb.

**Cost:** It is \$10 cash for three attempts with two different weapons.

**Notes:** You will need 30 rounds of ammunition for each attempt. Shooters must be able to perform all required actions without assistance from others.

District 14 will provide eye and ear protection for the shoot. Let us know if you are planning on shooting that day.

Please contact Tpr. Heath Miller @ [309-833-4046](#) extension 233 if you have further questions.

On July 21, 2018, the Illinois State Police Heritage Foundation will host the 11th Annual ISP Memorial Park Ride to raise funds and awareness for our ISP Memorial Park. The Park construction will begin this year and is scheduled to be completed in the fall. The Park will serve as an everlasting memorial for all of us to honor our fallen brothers and sisters and their families. Donations of raffle baskets for the event from each Division, District, Zone, and other work units have been a successful part of this ongoing important endeavor. Through the raffle baskets, the Ride, and the hard work of all volunteers, we are getting closer every day; and this year we will see the Park become a reality. This year's ride will be dedicated to Lieutenant Rich Kozik and Trooper Ryan

Albin. All Baskets and silent auction items may be directed to Ms. LeAnn Shirley, Division of Internal Investigation. Please submit baskets no later than June 15th, so they may be processed in a timely manner.

Questions can be directed to ISP Merit Board Executive Director and Park Chairman Jack Garcia at [217-685-7026](tel:217-685-7026).

Thank you in advance for all your efforts and support of our park and the families of our fallen officers.
